Sub: Rice - Orissa raw rice - Inferior quality - South Kanara district - Reclassification as II sort - Loss involved - Further report - Called for.

Ref: From the Bd. of Rev.(C.S.) Ref. No.133264/A3/53 (CS) dated 20-5-54.

In its references of even No. dated 12 and 15-1-54, the Board has permitted the Collector of South Kanara to reclassify 400 tons of Orissa raw rice as II sort in view of its bad quality and promised to send a report about the actual loss involved due to reclassification in due course. But it is seen from its reference of even number dated 6-3-54 that only a

p.t.o.

quantity of 5475 maunds 18 seers of Orissa raw rice has been ordered to be reclassified as II sort and that the loss involved therein is Rs.24,639-8-5 only.

2. The Bd. is requested to reconcile the discrepancy in respect of the quantity of the stock involved.

The attention of the Collector of South Kanara is invited to the Board's Reference No.133264-43/53 (CS) dated 12-1-54 and his references C.No. 14484/53 R2 dated 8-1-54 and 17-2-54. While in the Board's reference referred to above sanction was accorded for the reclassification of about 400 tons of Orissa Raw Rice as II sort, the collector has stated in his reference dated 17-2-54 that the quantity actually reclassified was only 5475 maunds and 18 srs. It is presumed that the difference in the quantity involved in the reclassification was due to the reason that out of the 400 tons ordered to be reclassified, excepting for a quantity of 5475 maunds and 18 srs. the rest has been pushed into consumption before orders of reclassification have been given effect to. The Collector is requested to report atonce whether the above presumption is correct and whether theparticulars furnished by him in

his reference dated 17-2-54 are correct.

Ref: From the Bd. of Rev.(C.S.) Ref.No.133264-A3/53 (CS) dated 20-5-54

The Board recommended in ~~its reference dated 24-11-53~~; Memo. 53,

(1) that a quantity of about 15,960 mds. of Orissa Raw rice available in the South Kanara district might be reclassified as II sort and

(2) that power cleaning of 4639 bags of rice in the wholesale depot at Mangalore could be done at a cost of Re.1-6-9 per bag of $2\frac{3}{4}$ maunds.

It also reported that as a result of the reclassification of the rice as II sort a loss of about Rs.71,820/- would occur together with an approximate loss of about 10% in the cleaning of the 4639 bags of rice in the wholesale depot at Mangalore. It also promised a further report about the actual loss involved in the above transactions.

2. In Govt. Memo No.9380-A.II/53-1, Agri., dated 23-12-53 the Bd. of Rev.(C.S.) was asked to report whether the quantity of 15,960 maunds of Orissa raw rice in question could not be cleaned and issued as I sort and if that could be done what would be the financial loss to Govt. In reply the Board reported that on the strength of the opinion of the Commissioner of Civil Supplies, Madras who visited South Kanara then, it permitted the Collector of South Kanara to reclassify the stocks of Orissa rice then available in the district (about 400 tons) as II sort as the stuff was very bad. The Board also promised to send a further report in due course on the actual loss involved.

p.t.o.

3. The Board however reported in its ref dated 6-3-54 that the actual loss involved in the reclassification of 5475 ~~tons~~ Mds.18 seers of Orissa raw rice as II sort was Rs.24,639-8-5 according to the Collector of South Kanara. In its reference in the c.f. the Board has recommended that the loss may be written off.

4. In this connection it may be pointed out that in January 1954 the Board has permitted the Collector of South Kanara to reclassify the stocks of about ~~4000~~ 4400 tons of Orissa raw rice available in the district as II sort whereas it has reported in March 54 that the actual loss involved in the re-classification of a quantity of only 5,475 maunds 18 seers is stated to be Rs.24,639-8-5. The Board may be asked to reconcile the discrepancy in respect of the quantity of rice involved. Subject to orders a draft memo is submitted below for approval.
